### Pray for ...

- More workers to help in this harvest field area.
- A church-planting movement to completely cover Bangladesh and Northeast India.
- Protection for the new believers from every background, decreased persecution, and true religious freedom.
- Unity among believers and a strong witness for Christ from the Christian community.
- Endurance and protection in spiritual warfare, and victory over these attacks from Satan.
- The workers in the Northeast area, that they would have homes filled with love that overflows, health in the midst of disease, peace that passes daily circumstances and joy through trials and tribulations.
- The Light to penetrate the darkness.
- A team of five Assamese believers who are translating the Bible in spite of many obstacles. May these workers know diligence, focus, and unity as they press forward.
- The Assamese Team that is reaching out to 30,000,000 people in the state of Assam.
- Discipleship and growth for over 500 new believers in Chittagong.
- A passionate national female partner to commit to serve in Chittagong.
- Continual wisdom, patience & strength to handle the overwhelming amounts of needs presented on a day-by-day basis.
- The Tribal people to continue to accept Christ in increasing numbers and see Him as the One True God who can and will answer their needs.
- Workers who serve in this difficult area. May they have effectiveness, wisdom, protection and peace.
- The team leaders, as they manage work responsibilities and care for their families—especially with regard to schooling and aging parents.
