Prayer Requests

Pray for ...

- Wisdom for the Cluster Leader — that he will keep his eyes on the goal that all may know Him and be focused on coaching and equipping each family to work in their gifts for maximum team synergy.
- Each of the eight families who work in this cluster — for wisdom and joy in the ministry as well as boldness in sharing their faith with others.
- The four new families to learn language well and adjust to the different culture.
- Our newest family who arrived in July and have two small children.
- The first couple who has arrived to reach the 10 million Muslim people (Mappila) of Kerala — that they will learn the language, culture, and how to reach Muslims.
- Laborers for Tamil Nadu, a state of 63 million people, where there is no company workers.
- Each unit to remain focused on the Lord – for their family, marriage, work and all they do.
- Each member of the South Cluster team to have a supernatural ability to speak Truth in the local language.
- Every unit to live out the principle of 2 Timothy 2:2, which is to be a Timothy who is also mentoring others, or multiplication.
- Good working relationships with national workers who already know the language, culture and have insights that we may never learn.
- House churches to multiply as a result of trained national partners.
- All national leaders to have a renewed passion to share the Good News with boldness and power!
- Multiple streams of church-planting movements all over the cluster “as the waters cover the sea” (Habakkuk 2:14 ASV).
- Indigenous churches to evangelize sinners, equip saints, and exalt the Savior in culturally relevant ways.
- Evangelism and discipleship, a faithful witness and on-going leadership training to be at the forefront of the 270 reproducing house groups started in Tamil Nadu.

A vast multitude from every South Asian Nation, Tribe, People and Language knowing and worshiping our Lord Jesus Christ. ~ Revelation 7:9
