Pray for ...

- Workers for the Boya and Kaikolar peoples of Andhra Pradesh — two people groups who have no known access to the Gospel — and for work recently begun with three unengaged unreached people groups (UUPGs) in the coastal area.
- Pastors and believers to hold to the truth of the Gospel and faithfully share the Word, even in the face of increasing persecution.
- Persecutors to see the strong faith of believers and believe.
- Twenty-six church planters and trainers from the state of Karnataka to be the catalysts for a church-planting movement.
- Every person in Karnataka to hear the Gospel.
- Believers to understand God's will, bear fruit in every good work, grow in the knowledge of God and be strengthened with His power.
- The chaplains at Bangalore Baptist Hospital as they share the Gospel with every patient who is treated.
- The Pastoral Care Department as they follow up with these patients at Bangalore Baptist Hospital.
- The volunteer groups ministering in the coastal area within the next year. May they be used strategically and greatly impact the lost.
- Baptist workers in a new city and role — that they will have wisdom and discernment as they partner with nationals.
- A weekly Bible study with ten Hindu construction workers in Bangalore. May there be salvations, baptisms and ultimately church formation.
- Revival within existing churches and for team members as they conduct conferences to explain and encourage bi-vocational ministry. Most national Christian leaders resist new church planting and bi-vocational ministry.
- The Indian Baptist Society as they send their first church planter into the Bangalore metro area to reach Kannada-speaking people.
- An expatriate worker and faithful Muslim-background workers who seek to reach Muslim women and train others in reaching Muslims.

A vast multitude from every South Asian Nation, Tribe, People and Language knowing and worshiping our Lord Jesus Christ. ~ Revelation 7:9
